Catalogue by LYMAN H. LOW.

AT THE COLLECTORS' CLUB,
351 FOURTH AVENUE, NEW YORK CITY.

By reason of the increased frequency of errors on the part of patrons to my sales, I feel the necessity of calling the attention of those sending bids, to carefully read the instructions on title-leaf. Revise your lot numbers carefully, and the price as well, to be sure you are making the offer you desire and against the particular lot wanted. Do not make a lump sum offer for a lot, — they are always sold entire, — but the bid must be by the piece, excepting in the case of U. S. Proof Sets. There are no other exceptions unless definitely so stated in the catalogue.

Make no corrections or alterations of figures, draw your pen through all errors and make a new entry. Do not use a lead pencil, such marks become indistinct by handling. Avoid making small figures.
